

# IST-EC – EUROPE-CANADA COLLABORATION

- CANADA-EUROPE IST project
  - Co-financed by the European Commission and Canadian research/ and research support organisations
- Our goal is to **foster IST R&D Projects between Canada and Europe... through**
  - dissemination of projects profile at International events
  - organization of networking sessions
  - Partner search: Researchers can propose a project/ an expertise and we look for partners/ projects

# WHY CHOOSE A CANADIAN PARTNER?

## ■ WHY CHOOSE A CANADIAN PARTNER?

- World-class research centres and universities
- and technological infrastructure

– *And.... Canadian partners secure their own financing*

## LOOKING FOR A CANADIAN PARTNER ?

- Enter your project's profile or expertise under **[www.ist-ec.org](http://www.ist-ec.org)**  
(immediately distributed by our Canadian Consortium Partners to potential research partners (research organisations, universities, SME's or industrials))
