

Objective 2007.1.3. INFO DAY

Networked Enterprise and Radio
Frequency Identification" Unit

Brussels, 9 February 2007

Cluster of Innovative IT Companies

Background:

- **IVSZ:** Hungarian Association of IT Companies – largest ICT association in Hungary
- **Membership:** 350+ ICT companies (250 SMEs, 100 large), 50-60 innovative, many SME-s
- IVSZ has an Innovation Program supporting international cooperation

Skills:

- **Association:** effective dissemination and coordinating platform, with good experience in FP6, broad EU-wide network
- **Member companies:** expertise in many fields including collaboration tool research

Future steps

- Our association can play a dissemination, education, etc... role in IPs or CAs, SAs
- Our membership offers SMEs and large IT companies with various skills as project partners
- Our SMEs or SME clusters can play an effective test-bed role as well.
